

6th INTERNATIONAL ROBO TECH OLYMPIAD 2026

Project Showcase

Participation & Submission

- All participants will initially participate through **online project submission**.
- Participants must submit their **Project Video through a Google Drive link** provided in the submission form.
- The submitted video will be evaluated through **online judging**.
- Based on the online evaluation, selected teams will be invited for the **Physical Project Showcase** on the event day.

International Participants

- International participants will participate **completely online**.
- Physical participation in Bangladesh is **not required/available** for international participants.
- The registration fee for international participants is **USD 10 per participant**.
- International participants will be evaluated based on their submitted project video and online judging.

Bangladesh Participants

- Bangladeshi participants will also complete the **initial competition and judging process online**.
- Participants must submit their project video through the designated Google Drive link.
- Teams selected through online judging will be invited to physically showcase their projects at the venue on the event day.
- Selected teams will also participate in the **Prize Giving Ceremony**.

Video Making Guidelines

The project video should clearly cover:

- **Beginning of the video** -- You should add a group photo of all team members, the project name, and the school/College/institution name at the beginning of the video.
- **Logo Placement** – Robo Tech Olympiad logo displayed in the video
- **Problem Statement** – What problem is the project intended to solve?
- **Beneficiary** – Who and how many people will benefit?
- **Solution Statement** – How is the proposed solution achieved?
- **Financial Viability** – Financial feasibility of the solution.
- **Challenges** – Key limitations or bottlenecks.
- **Future Expansion** – How the solution can be further developed.
- **Supporting Materials** – Graphics, illustrations, demonstrations, or additional video may be included.
- **Video Duration:** Maximum **6 minutes**.

Evaluation Criteria

Criteria	Marks
Problem Statement	15%
Beneficiary	15%
Solution Statement	20%
Financial Viability	15%
Challenges	15%
Future Expansion	5%
Supporting Graphics/Illustrations/Video	5%
Presentation	10%
Total	100%

These evaluation percentages are retained from your original rulebook.

Physical Showcase

- Only the **teams selected through online judging** will participate in the physical showcase.
- Selected Bangladeshi teams must bring their projects to the venue on the event day.
- No presentation slides are required for the physical showcase.
- Posters may be used as supporting materials but are **not mandatory**.
- Selected teams will also attend the **Prize Giving Ceremony**.

Important Note

The decision of the judges will be final.
